

Black Out request for Corvette Enhancements

Name: _____ Forum Name _____ Vette Generation: C

Shipping Address: _____ City _____ State _____ Zip _____

Phone Day: _____ Phone Evening _____ Email: _____

Tint Treatment: **Medium Red** (_____) **Black Cherry**
Very Dark Red (_____) **Black** (_____)

I have sent the lights listed below for your Black Out treatment. I am fully aware that these are intended for Car Show purposes only, and may not be legal for street use in my state. I further agree to "hold harmless" Corvette Enhancements for any and all legal ramifications encountered for the use of these lights. **Signature Required:** _____

Tail Lights 4() **3rd Center Brake**() **Rear Markers 2**() **Front Markers 2**() **Reverse 2**()

Please carefully inspect your lights prior to shipping. If any cracks, chips or deep scratches are discovered, they cannot be treated. C6 owners should check the reverse side of their marker lights to be sure the locking tabs did not crack or break during the removal.

"IMPORTANT SHIPPING INSTRUCTIONS"

USPS (United States Postal Service) Shipments to:
Corvette Enhancements - P.O. Box 3240 - Big Bear City, CA 92314.

UPS, Fed-Ex, DHL, etc. Shipments to:
Corvette Enhancements - 500 West Meadow Lane - Big Bear City, CA 92314.

Please fill out all the above requested information and enclose this form in the package with your lights. Failure to do so could greatly delay the return of your black outs! If you have any questions, please call 800-946-4929. We accept PayPal, Visa or Master Card for payment. You will be notified once your lights are completed and ready to ship.

Thank you,
Richard Todd
